

SMS Text Messaging Terms and Conditions

ATT Expo Market (“AEM”) provides this policy to explain how we use SMS text messaging. Please read these SMS Text Messaging Terms & Conditions (“SMS Terms”) carefully. By completing the opt in, you expressly consent to receive marketing and non-marketing text messages from AEM, including text messages made with an auto dialer, at the mobile number you provide. These messages can be recurring or one-time.

Opting in to receive text messages is not required to purchase any products or services from AEM. By providing your mobile number and opting in, you agree you have ownership rights or permission to use the number given to AEM.

You may opt out of these communications at any time by following the procedure established by the text message. After this, you will no longer receive messages from that number. If you want to join again, you can sign up as you did the first time and AEM will start sending messages to you again.

AEM uses text messaging for the sole purpose of marketing and non-marketing communications from AEM purposes and we do not share this information with any third-party sources.

You can receive assistance at any time by calling ATT Expo Market at (630) 320-6720.
